# TO PORTLAND

STEAMER HILONIAN IS TO HAVE RIVAL VESSELS ON THE ORE-GON ROUTE.

The Morning Oregonian of July II,

Charles F. Beebe Company, local agents of the American-Hawaiian Steamship Company, that the vessels lows, who aspires to become governor of this company would call at Portland of Iowa, which is very similar to the gation Company's liner Milonian, for t indicates that there is to be competition in the matter of securing local trade with the Islands.

The American-Hawaiian Company operates a line of steamships between Rycrott, the Reuben, and Hisen the New York and San Francisco, and from the latter port the Eastern con- very striking. The Dispatch has the signments are sent to the islands via following to say of Hisen which makes smaller vessels of the company's fleet. and it is the intention of the operators PEKING, July 26.—Sir Robert Hart to have these smaller vessels make Townsend Hisey, a unique character of as announced his retirement from the Portland a port of call in the future, Tama, lowa, who recently announced and this will be kept up as long as the his candidacy for the office of govertrade warrants the sending of the vessels to this port.

Company operates a line of vessels be- the official ballot, has commenced his in consequence of the reign of terror- tween New York, San Francisco and sts, the officers are resigning and a the Hawaiian Islands regularly each month, for the vessels plying between of literature, and very soon the street the Pacific and Atlantic connect with the island vessels at regular intervals, Armenians and Tartars in several and it is the intention of the company districts have taken up arms and are land on the way to the islands.

The larger vessels of the company's fleet, comprising the American, Orego- state. nian, Californian, Hawalian, Alaskan, Texan and Arizonan, ply between the ports of San Francisco and New York Pa., over fifty years ago. He came in this wise: Half of the fleet run between New York and the Isthmus, while the other half alternate between Tehuantepec and San Francisco, the freight being sent over the Isthmus by rall. In addition to these vessels, the ment company operates the Nevadan and Nebraskan between San Francisco and the Hawalian Islands, and these two latter vessels are designated to be reg-

SANTIAGO, Chile, July 26.-Pedro ular callers at Portaind in the future. Since the arrival of the Hilonian Pedro Montt belongs to one of the the merchants have commenced to take ix great families said to rule the desnotice of the Hawaiian trade and the tinies of Chile, holding all the high possibilities to be derived from a conposts and controlling the elections. The certed effort to attain some of the trafa hidden. six, in the order of their importance, fic that has hitherto been confined to are the families of Errazuriz, Monti. San Francisco proper, and it is said Vicuna, Walker, Aldunate and Solar, that this port will shortly bld for a With his brother, Admiral George great percentage of the Island trade. Montt, Pedro Montt played an impor-With two lines of steamers plying tant part in the war against Balmabetween the ports, there is no reason.

why Portland should not become a factor in this trade, for the Northwest supplies commodities that are not procurable in the California market, and the shipment from here is more logical than from the south. This phase of pay losses in this city, amounting to the situation is being looked at with more than passing interest by the local merchants, and along the water front the impression seems to prevail that Portland will shortly have a large trade with the American Island pos-

The Matson liner Hilonian is only a starter, and those who have taken advantage of her visit hope that this Entered for Record July 25, 1906, from will not be the last, and are already laying plans for the larger shipments C F Peterson and wf to A Lidgate .. M by her on the next visit.

The proposed new line has several M lumbian, Isthmian and Mexican, and all are built for freight carriers as well of Est of W C Lunalilo... Fors Affit as passenger vessels.

The Charles F. Beebe Company announce that the Nevadan, the first of by thoughtful persons for ages and the fleet, will arrive in Portland on make each person live on the interest July 16, and will sail for Honolulu and of money. MAN COMES OUT FOR GOVERNOR-SHIP OF IOWA WHO RESEMBLES RYCROFT THE REUBEN.

Has Rycroft, the "Reuben," a double. It would seem so for the St. Paul Dis-The announcement yesterday of the patch recently published a photograph of Andrew Townsend Hisey of Tama Iowa, who aspires to become governo in the future is of especial significance likeness of young Rycroft, the man who since the arrival of the Matson Navi- first appeared in Honolulu on the streets as a "Reuben," advertising the Zoo and who delighted the townspeople by leading the Hawaiian band on May 12, the day that the baseball seaso aspirant for gubernatorial honors, is the resemblance the more stronger,

nor of Iowa, and who has secured the The American-Hawailan Steamship to secure his name being placed upon requisite 1,600 signatures to the petition campaign and left Tama, Saturday, corners of many an Iowa city and town will be crowded daily with men listening to the tale of woe which this mar Hisey will pour out to them in arguing why he should be called to fill the office of chief executive of the Hawkeye

Secular government is Mr. Hisey's hobby, and he was born in Brownville, with his arents to Iowa way back in 1855, and has lived at Tama most of the time since. He spends much time In study and in the reading and writing of books on how to run the govern-

The platform which Mr. Hisey bases his candidacy upon is at follows:

Secular government stands for good government; liberal scientific governindividual, national, international administration and distribution

First-To rediscover the arts which re lost, and, reveal those which are

Second-To complete the unfinished work of ages, right the wrongs of gencrations past, correct the mistakes retrace the errors, and see to it with great care that the ills which effect the race the foul works and foul play do not

Third-To secure individual ownership, preserve competition in labor. complete the wage earning system, give to labor its full share of prosperity, bring to trusts, combinations and gigantic concerns, the confidence of an industrious people, and intense patriotism to the government.

Fourth-To surmount deplorable tendencies, life up the fallen, strengthen the weak, connect the broken family chain, double the pleasures, lighten the sorrows, lengthen the lives of the people and elevate all on the high table land of political science, above poverty, crime, ignorance and superstition. Change the environments from positive vices to negative virtues, from negative virtues to positive virtues, from positive virtues to great good, great care and great hope, so one's words works, thoughts and actions may go out into the world to do good and al-

Fifth-Bring to each person in the generation each day of their lives the little heritage which has been directed

RICH YOUNG CLUBMAN WAGERS \$50,000 WITH UNCLE THAT HE CAN QUIT SMOKING.

CHICAGO, July 12.-Nelson Ludington Barnes, a rich young clubman and PANY SEEKS AN INJUNCTION society leader, can take a \$50,000 smoke any day he desires. He has but to take one whiff of a cigarette, and it will make a difference of \$100,000 in his financial affairs. He has wagered \$50,000 with his uncle-inlaw, John M. Barker, the multi-mil-Honnire car buflder, that he has power enough to quit eigarettes, to which he has been strongly addicted.

Barker chuckled today when h heard that young Barnes intended to win his \$50,000

"I can better afford to lose it than he can," said he; "and it will be chear

Barnes is the husband of a niece of complainant and defendant in nowise Barker, and his only objection to the young man has been that of cigarettes. Young Barnes is flooded with the water flows from said artesian offers of fancy brands, which are mailed to him and brought in personally, but they go into the waste basket.

"I will pull down that \$50,000," he says; and undoubtedly he means it.

William H. Smith has brought a bill to foreclose mortgage against Law rence H. Dee, Frank Hustace and Mel-He E Hustace. The amount claimed is \$10,680.15, with interest at 8 per cent per annum from June 23, 1904. The sult is another development in the long little gation growing out of the famous Ka male Sugar Company case and th equally famous case of Dee vs. Smith A. S. Humphreys is attorney for Smith.
